## FROM THE GRILL ENTREES

*It starts with the Certified Angus Beef® brand, known for unrivaled flavor, juiciness and tenderness, All of our Steaks are cut in house and then marinated in our patented special blend of spices. Our C.A.B.® program is provided to ensure that you are eating the highest quality and most consistently tender steak through its grading system, which even surpasses the USDA's own grades. We do cut and grade our steaks in house and they are never frozen. We do cook it with the fat trim still on each steak to maintain all of its flavor. So if you would like fat trimmed off, please notify your server*
